### **Letto Felice**

Un letto elegante e leggero, così si presenta Felice.

La struttura, in legno di ciliegio con piedini in legno stonato a 'stiletto', è completata da due grandi cuscini imbottiti e removibili applicati alla testiera. Ben si abbina ai comodini Vittorio della collezione '900, anch'essi in legno di ciliegio, a due cassetti con particolari maniglie in pelle e ottone, qui presentati in finitura naturale.

### **Magic Dream**

Giuseppe Viganò crea per Morelato un letto unico, dove la testiera prende ispirazione dalle panche dei parchi e i comodini, in essa integrati, sembrano piccole sedute dove sostare.

Un letto, realizzato in legno massello di noce canaletto, che pare invitare alla lettura e nasconde nel nome un richiamo al totale relax.

*The unique bed that Giuseppe Viganò designed for Morelato has a headboard inspired by the benches and tables of a park, integrated in the headboard they seem small seats where to stop and rest.*
