## FINITURE GALVANICHE

Per ottenere un prodotto di alta qualità e di lunga durata, le lampade Tosconova sono realizzate in ottone. Il metallo viene modellato, impreziosito e infine definito da mani esperte, che con cura e dedizione sono in grado di creare infinite forme ed accurate finiture.

## GALVANIC FINISHES

*The beauty of the metal is infinite; often synonymous with power, heaviness and durability, metal is a material with countless finishes and decorations. Tosconova lamps are made of fine grade brass, the best material available for a high quality, long lasting product.*

*Metal is a crucial gear for many products and it is shaped, fashioned, embellished and finally defined by expert hands, which with care and dedication are able to create endless beautiful finishes.*
