

The background of the entire page is a close-up, high-resolution image of a wood grain. The lines of the grain are wavy and run diagonally from the top-left towards the bottom-right. The colors are a mix of light tan, beige, and soft brown, creating a natural, organic texture.

Very Wood è frutto di una profonda armonia tra il lavoro delle macchine e dell'uomo, tra lavorazioni seriali e soluzioni specifiche e personalizzate, calibrate sulle caratteristiche uniche di ogni intervento, spazio, ambiente. In una sola parola: Contract.

Very Wood is the culmination of the deep rooted harmony achieved between man and machine, be it across standard production or custom solutions, tailored to the unique features of every project, space, context. A unique word: Contract.

Very Wood presenta Wise, una collezione di sedute age-friendly che interpreta, in un progetto di grande sensibilità ed eleganza, le esigenze di una generazione di persone che convive con un maggiore bisogno di ergonomia e comfort.

Very Wood introduces Wise, an age-friendly collection of upholstered seating: a sophisticated and sensitive design that attempts to interpret the needs of a generation of people living with a greater need for good ergonomics and comfort.

poltroncina dining sovrapponibile /stacking dining armchair

Capri

design — Matteo Thun

Collezione composta da poltroncina dining sovrapponibile, poltrona lounge sovrapponibile, divanetti lounge, lettino, poufs, panca, tavoli e tavolini in iroko oliato. Cuscini sfoderabili imbottiti in espanso idrorepellente. Tavoli e tavolini con piani a doghe di legno massello. I cuscini delle sedute possono essere forniti senza piping, su richiesta. L'iroko oliato, dopo l'esposizione alla luce e alle intemperie, cambia colore e necessita di nuove oliature, la cui frequenza dipende dalle condizioni atmosferiche cui è sottoposto il manufatto. L'esposizione alle intemperie non compromette la stabilità del prodotto, ma può tuttavia causare delle fessurazioni nel legno. Si consiglia pertanto un'adeguata protezione. Si raccomanda di coprire adeguatamente i tavolini.

Collection composed by stacking dining armchair, stacking lounge armchair, lounge settee, lounge, poufs, bench, dining tables and side tables in oil treated iroko. Cushions with removable covers with piping and water-repellent foam. Tables and coffee tables with top in slatted solid wood. Seat cushions can be supplied without piping, upon request. Oil treated iroko, after exposure to sun and to bad weather, changes color and needs new oiling. Frequency of oil treatment depends on the weather conditions to which the product is subjected. The exposure to bad weather does not affect the product's stability but can however cause cracks in the wood. We therefore recommend a proper protection and an adequate covering of the tables.

Simple

design — This Weber

Collezione di tavoli dining.
Gambe in frassino finiture standard,
fissate con piastre metalliche grigio
RAL 7016 incassate nel piano. Piano
in laminato, spessore 30 mm, interno
truciolare Idro. Laminato HPL wenge,
noce canaletto o rovere, oppure HPL
Fenix bianco Malè, castoro Ottawa o
grigio Londra.

Dining tables Collection.
Legs in ashwood in standard finishes,
assembled by metal plate lacquered
finish grey RAL 7016, recessed
underneath the table top. Top in HPL
laminato, thickness 30 mm, core in Hydro
chipboard. Laminate HPL in wenge,
American Walnut or Oak, or Laminate
HPL Fenix® in Malè white, Ottawa light
brown or Londra grey.

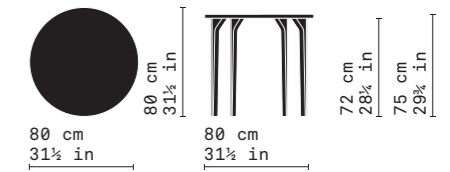

Tavoli tondi: bordi ABS in tinta spess.
2 mm. Tavoli quadrati o rettangolari:
bordi ABS in tinta spessore 2 mm con
angoli a 90° (cod R01), o, in alternativa,
bordi ABS in tinta spessore 1 mm con
angoli arrotondati (cod R30).
La resistenza all'usura e ai colpi dei bordi
ABS spessore 2 mm è maggiore rispetto
a quelli spessore 1 mm.

Round tables: ABS edges same color,
thickness 2 mm. Square and rectangular
tables: ABS edges same color, thickness
2 mm with corners 90° (code R01) or,
alternatively, ABS edges same color,
thickness 1 mm with rounded corners
(code R30). The performance of the 2 mm
thick ABS edges is better than the ones
1 mm thick, in terms of durability and
resistance to blows.
